Subject: LIFE04 ENV/GR/000137

Dear Dr. Kyvelou,

I hereby acknowledge receipt of your letter, dated 12/07/2005. The Commission has taken note of the information you provide in your letter. I would like to assure you that we fully appreciate your efforts in the organisation of the Euro-Mediterranean Conference.

Regarding the project management issue, we understand that the project management structure for project LIFE04 ENV/GR/000137 has now been revised, and that you will no longer be involved in the project management of the project, as was foreseen in the approved proposal. As such, from now on, all project correspondence will be addressed solely to the newly appointed project manager, at the Municipality of Athens Development Agency.

Yours sincerely,

Philip OWEN
Head of Unit
